

GIVING TUESDAY

November 28, 2023

MAKE A DIFFERENCE

With Your Dollars!

It's Giving Tuesday! This year we're seeking support in the four key areas listed below. When you give online, be sure to add your preferred area(s) of support in the "message" type-box on the donation page. Also, everyone who gives online before midnight tonight will receive a Hartville Migrant Ministry sticker for your laptop, water bottle or other accessory. Thank you for your support!

DONATE

SEEDS OF HOPE SCHOLARSHIP FUND

Seeds of Hope is a scholarship awarded twice each year to a migrant student enrolled in a postsecondary education program. Your gift to the Seeds of Hope Scholarship Fund will help improve postsecondary outcomes for migrant students!

INTERNSHIP FUND

Each growing season, HMM employs several interns to help plan and facilitate our various summer programs. Your gift to the Internship Fund gives HMM the support we need, while also providing future leaders with incredible opportunities!

ENDOWMENT FUND

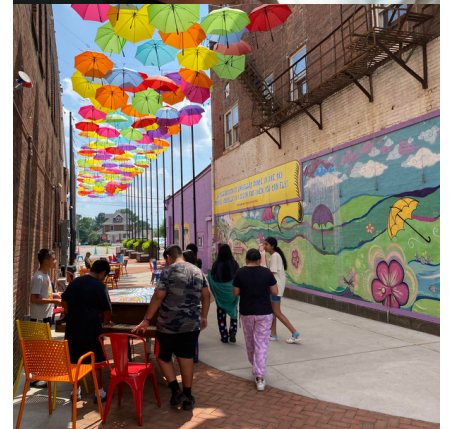

Earlier this year, HMM won a campaign hosted by the Stark Community Foundation which granted our Center \$10,000 of seed money to start an Endowment Fund. Your gift to this fund would help ensure long-term sustainability and growth for our organization.

MIDDLE SCHOOL PROGRAM FUND

Each summer, HMM hosts an 8-week middle school summer program focused on innovation, connection and confidence. Your gift to the Middle School Program Fund will allow our students to participate in field trips and other experiential learning opportunities next summer.

WORKDAY HELP NEEDED

The migrant center benefits not only from financial support, but also from the generous donation of volunteer time and talent. This winter, HMM will host several work days which are perfect for youth groups, school clubs and other small organizations. At least one workday will be held each month, and the schedule can be seen [here](#). Email Terry Smith at micmat6767@yahoo.com to sign up or for more information.
